 SAN JOSE DIVISION**

In Re Ricoh Company Ltd. Patent Litigation

Case No. 03-2289 JW

**JOINT STATEMENT REGARDING CLAIM
 CONSTRUCTION PURSUANT TO APRIL 16,
 2008 ORDER**

Pursuant to paragraph 1 of the Court's April 16, 2008 Order, counsel for all parties stipulate and represent as follows: (a) the Court should adopt the claim construction issued by the previously assigned district judge; (b) the Court should not reconsider any part of that construction; and (c) there are no words or phrases that remain to be construed. Counsel for the parties note, however, that upon completion of the pending reexamination of the '432 patent, there may be new intrinsic evidence that could affect one or more claim construction issues. Counsel for the parties will determine whether any such new evidence exists promptly after the reexamination is completed, and inform the Court.

Ricoh requests that the September 26, 2008 hearing be postponed until further action by the Patent Office.
